

Hello Evony Community,

We are again advertising for the positions below with a few new ones! Interested in getting in on the action with a new game developer/publisher that is breaking records and setting the stage for the next generation of online games?

Recruitment may close at any time without notice, although we will be trying to send an email to prospective applicants on their success for an interview. Please note, advertisement of positions below does not equate into the role being filled if the quality of applications does not merit at this time. Copies of all certifications, education and background will be required as well as the ability to work in the US (these positions are throughout the US). Remuneration will be negotiated between the Company and applicant.

The following positions are being advertised:

Art Designer (Qingdao Studio)

Bookkeeper (Boston)

Community Manager (Boston)

Creative Specialist (Boston)

Customer Service Manager (Boston)

Director of Operations (Boston)

HR Manager (Boston)

Marketing Manager (Boston)

Network Engineer (Qingdao)

Online Media Buyer (Boston)

Producer (Boston)

Product Manager (Boston)

University Students in Boston Wanted for Mobile Tests

University Students in Costa Mesa Wanted for Mobile Tests

University Students in Sydney Wanted for Mobile Tests

Web Analyst (Boston)

Internships

We have no internships available at this time.

For more information, go click [here](#) . Please review the relevant job advertisements and apply with the necessary requested information for your application. Incomplete applications will be rejected.

Good luck!
